

Holiday Park Campground Coronavirus Statement

First and foremost, we hope you and your families are well, healthy and safe. In an effort to do our part, for the safety of our staff and the camping population during this Coronavirus outbreak, we would like to inform you of the following: Our opening date of April 1st has been postponed. We will update accordingly as we are updated by our leaders. Please be patient as we navigate these uncharted waters together. We are diligently getting the campsites ready, the store cleaned & stocked making ready to promote making family memories, and having clean, outdoor good old fashion fun.

The wellbeing of our guests and employees is our top priority. We appreciate your patience and understanding regarding this matter. We want you to feel confident that you will have an enjoyable, relaxing time when you are visiting our campground and we look forward to serving you during your next stay with us.

However, due to this matter, we will not be processing any reservations at this time.

Our thoughts and prayers are with those who have lost life, suffered, and who are currently battling to get well. We hope this virus will complete its course or at least be on the decline soon.

Please share this information with anyone you know who camps with us that may not be on social media.

Russ & Jill and staff at Holiday Park Campground
